# Heritage Festival

September 11, 2010

### Welcome to Heritage Hill!

We are glad you have chosen to visit us! Today we are celebrating Belgian, Polish, German and the Native American people who have made Northeast Wisconsin their home. The cultural traditions of these ethnic groups are very interesting and diverse. Take in the activities and demonstrations of our festival such as dancing, food, and crafts. Meet Miss Green Bay, Kristen Oxenford while she strolls through the park. Thank you for being a part of our Heritage Festival.

Be sure and visit our Gift Shop to pick up your unique memorabilia!

**Note: The buildings will be closed 12:00 – 12:30 for staff lunches. During this time feel free to listen to music at the Gazebo or visit concessions.**

## Activities and Demonstrations

### Belgian Music

Enjoy Walloon Belgian music provided by Clete Bellin and his Orchestra from 11:00 – 2:00 on the Gazebo. You can expect to hear polkas and waltzes as well. We hope you stop by and enjoy the music!

### EDUCATION CENTER:

#### Evergreen Quilters

Know how to tie a quilt? Watch the Evergreen Quilters make an old fashioned quilt.

#### Belgian American Club (1:00 pm – 4:30 pm)

Learn more about how you can celebrate your Belgian Heritage by visiting with members of the club.

#### “Seasons in a Country Kitchen Cookbook” (1:00 pm – 4:30 pm)

Visit with Darlene Kronschnabel author of this great cookbook and purchase an autographed copy of the book.

#### Crafts – located in the Learning Labs downstairs

Learn the art of Polish paper cutting. *Wycinanki* (pronounced vy-chee-nan-kee) are beautiful paper cut-outs used to decorate the interior of Polish homes since the early 19<sup>th</sup> century. Also, enjoy coloring a picture of a German themed coloring page.

### BELGIAN FARM AREA:

#### Rope Making

Try your hand at making rope the old fashioned way.

#### Cheese Making

The small cheese factories were an integral part of life for those living in late 19<sup>th</sup> century Wisconsin. Watch as milk, salt, and whey are transformed into a delicious slab of cheese by Seymour Dairy Products.

#### Beer Making

Come to the Summer Kitchen at the Farm and watch as beer is made.

#### Sauerkraut Making

The gents at the farm will be making sauerkraut – enjoy the smell.

#### Butter Churning

Help churn cream into butter at our butter churning exhibit.

#### Laundry

The ladies could use some help doing the laundry. Lend them a hand.

#### Woodworking

See historical woodworking demonstrations by the Northeast Wisconsin Woodworkers Guild.

### GROWING COMMUNITY AREA:

#### Historical Games

Enjoy the games of years gone by on the green.

#### Slide show in Moravian Church

Take in a slideshow presentation to learn about what life was like for German immigrants as they settled in places like Wisconsin.

#### Polish Heritage Society

Learn more about how you can celebrate your Polish Heritage by visiting with members of the society.

#### Cider Press

Do you know how cider is made? Pick some apples and try running them through the cider press. Located across from the apple orchard.

### LA BAYE AREA:

Enjoy social music, pottery making demonstrations, and exercises with children and see corn soup being made by members of the **Oneida Nation**.

In the Courthouse see a logging exhibit and talk with members of the **Menominee Nation** about the history of logging.

#### **Thank You for Visiting Heritage Hill State Historical Park**

*To protect the park, its buildings and artifacts, we ask the following:*

No smoking in the park.

Bring no food and beverages into historical buildings.

Please do not touch artifacts without permission.

Because of the number of historic artifacts in **Tank Cottage, Cotton House** and the **Library**, please leave infant and toddler strollers outside of those buildings.

*Thank you for your cooperation.*
